[1](#). (S/NF) On 6/21 Abdul Hakim al-Iryani, Advisor to Foreign Minister Qirbi, asked for USG assistance in vetting the asylum request of former Iraqi Ambassador to Azerbaijan, Ghalib Abdu Husayn al-Tamimi, his wife, and their six children. PolOff delivered USG response provided by ORCA (para 2) on June 25. Iryani was pleased by the timeliness of the reply, but felt the response lacked the decisiveness ROYG requires. He noted that this request is currently being handled by the Yemeni Ambassador to Turkey. In response, PolOff re-affirmed the firm USG position that al-Tamimi should not be granted asylum.
